YOUR ANNUAL MEMBERSHIP ENTITLES YOU TO:

ROUTINE DENTAL CHECK-UPS

Our check ups are very thorough. The dentist will check not only your mouth but your head, neck, jaw and soft tissues and tongue for any irregularities. They will also check your gums and bite and give you a full clinical examination of your teeth, including any x-rays required.

ROUTINE SCALE AND POLISH APPOINTMENTS

A scale and polish removes the hard calculus (tartar) from around the gum line and removes plaque and surface stains from your teeth. Your annual plan membership includes two hygiene appointments to help keep your teeth and gums healthy, as well as improve the look of your smile.

“A very welcoming dental practice. Having not been to the dentist for many years, my faith has been restored and I now look forward to coming to my appointments.”

John McIntyre – CFD Patient

10% OFF DENTAL TREATMENTS*

By joining our Dental Plan you also qualify for 10% off most dental treatments*, which can result in considerable £ savings if you do need work doing.

*excludes specialist treatments eg. endodontics, periodontics, orthodontics, implants and additional hygiene visits.
